V.P. Engineering/Operations

- Responsible for all design related aspects of elevated water tanks and ground storage water tanks under new construction.
- Design Engineer for all tank modification projects (raising, lowering, and structural rehabilitation) of both tanks and foundations.
- Responsible for construction administration throughout project life-cycle.
- Complete design calculations using both hand calculations, custom-written software, and finite element software.
- Design various foundation types to support tanks utilizing both hand calculations and computer software. Foundation types consist of: spread footings, drilled piers, driven piles, auger-cast piles, mats, geopiers, and grade beams.
- Fluent knowledge of the following design codes: AWWA D100, ACI 318, AISC 325 AISC 327, AWS D1.1, IBC, ASCE 7.
- Complete bid designs, quantity take-offs, and cost estimates for competitively bid projects.
- Lead weekly production meeting amongst all departments: sales, accounting, engineering, purchasing, fabrication, foundation, erection, painting, and project management. Responsible for scheduling and coordinating engineering department workload (engineers and draftsmen) based upon weekly production meeting.
- Responsible for ensuring that construction documents reflect design calculations and perform QA/QC reviews for all atypical projects.
- Responsible for overseeing and maintaining CNC gantry-type plasma/oxy-fuel cutting machine. Coordinate with shop foreman on weekly fabrication schedule and ensure that part layouts are available for CNC machine when required.
- Continually work to further knowledge and maintain continuing education requirements.
- Staying abreast of the latest technology and code changes.

Notable Projects

- Engineer of Record on project to raise a 500,000 gallon single pedestal tank 48'-6" utilizing two cranes (one mobile hydraulic and one lattice boom) to suspend the container while a third crane (mobile hydraulic) placed the new stem sections.
- Engineer of Record on project to raise a 2,000,000 gallon single pedestal tank 11'-0" utilizing 15 – 50 ton hydraulic jacks. The tank diameter was 93'-0" and the jacks were placed on an 18'-0" diameter within the stem of the tank. Three new stem sections were hoisted into place with a mobile hydraulic crane.
- Engineer of Record on project to raise two 2,000,000 gallon ground storage tanks 12'-0", increasing the capacity of the system by 33%. The 120'-0" diameter tanks were raised utilizing a hydraulic jacking system.
- Engineer of Record on project to replace a conical roof on a 1,000,000 gallon ground storage tank with a self supporting domed roof. Domed roof was constructed adjacent to the existing tank and hoisted in to place with a mobile hydraulic crane.

DECLARATION

In accordance with section 2909.32 (A)(2)(b) of the Ohio Revised Code

For each question, indicate either "yes," or "no" in the space provided. Responses must be truthful to the best of your knowledge.

- Are you a member of an organization on the U.S. Department of State Terrorist Exclusion List? Yes No
- Have you used any position of prominence you have with any country to persuade others to support an organization on the U.S. Department of State Terrorist Exclusion List? Yes No
- Have you knowingly solicited funds or other things of value for an organization on the U.S. Department of State Terrorist Exclusion List? Yes No
- Have you solicited any individual for membership in an organization on the U.S. Department of State Terrorist Exclusion List? Yes No
- Have you committed an act that you know, or reasonably should have known, affords "material support or resources" to an organization on the U.S. Department of State Terrorist Exclusion List? Yes No
- Have you hired or compensated a person you knew to be a member of an organization on the U.S. Department of State Terrorist Exclusion List, or a person you knew to be engaged in planning, assisting, or carrying out an act of terrorism? Yes No

If an applicant is prohibited from receiving a government contract or funding due to a positive indication on this form, the applicant may request the Ohio Department of Public Safety to review the prohibition. Please see the Ohio Homeland Security Web site for information on how to file a request for review.

CERTIFICATION

I hereby certify that the answers I have made to all of the questions on this declaration are true to the best of my knowledge. I understand that if this declaration is not completed in its entirety, it will not be processed and I will be automatically disqualified. I understand that I am responsible for the correctness of this declaration. I understand that failure to disclose the provision of material assistance to an organization identified on the U.S. Department of State Terrorist Exclusion List, or knowingly making false statements regarding material assistance to such an organization is a felony of the fifth degree. I understand that any answer of "yes" to any question, or the failure to answer "no" to any question on this declaration shall serve as a disclosure that material assistance to an organization identified on the U.S. Department of State Terrorist Exclusion List has been provided by myself or my organization. If I am signing this on behalf of a company, business or organization, I hereby acknowledge that I have the authority to make this certification on behalf of the company, business or organization referenced above on of this declaration.

Contractor Equal Employment Opportunity Certification

During the performance of this contract, the undersigned agrees as follows:

1. The undersigned will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The undersigned will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The undersigned agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this equal opportunity (federally assisted construction) clause.
2. The undersigned will, in all solicitations or advertisements for employees placed by or on behalf of the undersigned, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.
3. The undersigned will send to each labor union or representative of workers, with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representative of the undersigned's commitment under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
4. The undersigned will comply with all provisions of Executive Order No. 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
5. The undersigned will furnish all information and reports required by Executive Order No. 11246 of September 24, 1965, and by the rules, regulations, and relevant orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records and accounts by the administering agency of the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
6. In the event of the undersigned's non-compliance with the equal opportunity (federally assisted construction) clause of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part, and the undersigned may be declared ineligible for further Government contracts of federally assisted construction contracts in accordance with procedures authorized in Executive Order No. 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order No. 11246 of September 24, 1965, or by rules, regulations, or order of the Secretary of Labor, or as provided by law.
7. The undersigned will include this equal opportunity (federally assisted construction) clause in every subcontract or purchase order unless exempted by the rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order No. 11246 of September 24, 1965, so that such provision will be binding upon each subcontract or vendor. The undersigned will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for non compliance: Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor, as a result of such direction by the administering agency the undersigned may request the United States to enter into such litigation to protect the interest of the United States.

AMERICAN IRON AND STEEL ACKNOWLEDGEMENT

The Contractor acknowledges to and for the benefit of the City of London, OH ("Purchaser") and the State of Ohio (the "State") that it understands the goods and services under this Agreement are being funded with monies made available by the Clean Water State Revolving Fund and/or Drinking Water State Revolving Fund that have statutory requirements commonly known as "American Iron and Steel;" that requires all of the iron and steel products used in the project to be produced in the United States ("American Iron and Steel Requirement") including iron and steel products provided by the Contractor pursuant to this Agreement. The Contractor hereby represents and warrants to and for the benefit of the Purchaser and the State that (a) the Contractor has reviewed and understands the American Iron and Steel Requirement, (b) all of the iron and steel products used in the project will be and/or have been produced in the United States in a manner that complies with the American Iron and Steel Requirement, unless a waiver of the requirement is approved, and (c) the Contractor will provide any further verified information, certification or assurance of compliance with this paragraph, or information necessary to support a waiver of the American Iron and Steel Requirement, as may be requested by the Purchaser or the State. Notwithstanding any other provision of this Agreement, any failure to comply with this paragraph by the Contractor shall permit the Purchaser or State to recover as damages against the Contractor any loss, expense, or cost (including without limitation attorney's fees) incurred by the Purchaser or State resulting from any such failure (including without limitation any impairment or loss of funding, whether in whole or in part, from the State or any damages owed to the State by the Purchaser). While the Contractor has no direct contractual privity with the State, as a lender to the Purchaser for the funding of its project, the Purchaser and the Contractor agree that the State is a third-party beneficiary and neither this paragraph (nor any other provision of this Agreement necessary to give this paragraph force or effect) shall be amended or waived without the prior written consent of the State.

Good morning,
I'm working on an upcoming bid for a 250,000-Gallon Sphere in London, OH.
Although we've had a hard time getting information clarified for this bid, we are still trying to provide a number.
Could you please help us with Fence Pricing?

Bid Dashboard: [250M - SPH - London, OH](#)
Fence Specs start on page 436 of the Specs w/ additional in the Plans & Addendums

This bid is exempt from State Sales Tax only. So we need to include Madison County Tax (1.25%) on Material.

This bid must meet AIS Requirements.

This bid requires State prevailing wages, found via site link:

<https://wagehour.com.ohio.gov/w3/webwh.nsf/QueryWageRateAll?OpenAgent&PClassification=-Select-&PCounty=MADISON&PUnion=-Select->

This bid opens on 03/31 and is a digital bid... so please provide pricing by Noon (EST) 03/31 at the latest.

Please provide itemized pricing per the bid form for all fence and gate items.

Please let me know if you have any questions.

Thank You!
