London O. Dec. 12th A.D. 1882,

To the Honorable Board of Commissioners Madison Co. Ohio } Petition for
Location, Construction & Tilting of a Ditch.

The undersigned owners of lots and land which will be drained and benefitted by the improvement herein prayed for, hereby make application to your honorable body, and now file with the Auditor of said County, this their petition, and now and hereby pray for the location, construction & tilting of a ditch on the route hereinafter set forth.

The necessity for the location, construction and tilting of said ditch is that it will drain and reclaim the lands along the line thereof and adjacent thereto, and will promote the public health, convenience and welfare.

The following is the route and termini of said proposed improvement to wit, commencing at a point on the lands of Columbus Studdle near the line between said Studdle & F. H. & Prudence Miller, thence in a south easterly course through the lands of said Studdle, crossing the Petersham road, through the lands of William Rrough to the line between said Rrough and William Peere; thence in a south easterly course through the lands of said Peere, crossing the Middle pike, through the lands of Stephen Smith to a point in the land of said Smith near the line between said Smith and the heirs of Butler Smith deceased; thence in an easterly direction through the lands of Stephen Smith and the lands of Cary Millikin and terminating at a point in the township ditch known as the "Wilson" Ditch near the line between said Millikin and H. C. Stucky.

Ditch Improvement No. 111.

Commissioners Office, Madison County
London O. Dec. 30th 1892.

This day the Board of Commissioners of Madison County met in Special Session, members present, C. W. Longbrunor, A. C. Millikin & M. S. Rea.

For the matter of the County Ditch Improvement }
Petitioned for by Stephen Smith & A. C. Millikin } Entry on report of Engineer.

Clint Morse, the engineer heretofore appointed in this matter, having filed his report, including the apportionment made by him of the costs of said improvement; and this being the time fixed by the Auditor for hearing said report & matter, and the Board of County Commissioners being in Special session, C. W. Longbrunor & M. S. Rea, being present the board after proper examination do find that due notice, with a statement of the said apportionment, has been given, for the length of time required by law, to all lot and land owners and to the authorities of all municipal and private corporations affected by said improvement, notifying them of the pendency, substance, and progress of the petition for said improvement.

Said Board also find that no person has made application in writing for compensation and damages and that no person has made application in writing for a change or alterations in the line of said ditch through his premises.

The Board having heard the evidence & examined said report & apportionment of the engineer, do find that the said report and apportionment are in all respects fair and just according to the benefits derived from the improvement by the owner of each lot & tract of land, and by municipal and private corporations.

It is therefore ordered that said report & apportionment be & the same are hereby approved and confirmed.

The Board fix Tuesday the 10th day of January 1893 at 10 o'clock a. m. at the outlet of the improvement on the lands of A. C. Millikin two & one half (2 1/2) miles north of the West Jefferson on the east side as the time and place for the sale of the construction of said improvement at public outcry in sections of not less than one hundred (100) feet; nor more than twenty five hundred (2500) feet in length, and Clint Morse a competent Engineer is hereby directed to attend at the time and place of sale specified above, to superintend and conduct the same.

The County Auditor is hereby directed to cause notice of the time and place of sale to be given by advertisement by Posters or hand bills for ten (10) days prior to said day of sale.

Said Clint Morse Engineer is hereby required to enter into bond
