

I certify that this plat has been prepared from a field survey and complete perimeter traverse of the premises during August and October, 1989 and during January and February, 1990.

Bearings and the affecting boundarys have been derived and / or established from records as shown...specifically of record in Volume 259 at Page 125 and State Highway right of way plans for State Highway # 241 Sec. "A".

Markers set are 3/4 inch pipe with plastic cap stamped R.I. Baker S-5539 and P.K. Spikes of which are tied directly to points found and recovered concrete highway monuments.

Rodger Irwin Baker
