

# PLAT

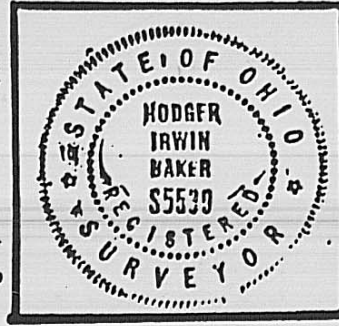

**NOTE: EASEMENT TO OHIO EDISON ELECTRIC COMPANY TO INSTALL AND MAINTAIN ANCHOR POLE AND GUY CABLE AS SHOWN ALONG FRONTAGE OF SURVEYED 11.082 ACRES TRACT. SEE THE ENLARGED DETAIL WHICH ALSO NOTES SIDE YARD DISTANCE OF 63 FEET. (D.B. 157 PG. 640)**

I certify that this plat has been prepared from an actual field survey made by me in February, 1991 with markers found or set as delineated. In my opinion this plat correctly represents the true field conditions as requested by the client and in accordance with the best field evidence, the deeds of record and previous surveys platted and / or described.
