

# RESUBDIVISION OF LOTS 456-463 (INCLUSIVE) CHOCTAW LAKE SUBDIVISION

RESUBDIVISION OF LOTS 456-463 (INCLUSIVE)  
CHOCTAW LAKE SUBDIVISION  
MADISON COUNTY, OHIO

The purpose of this RESUBDIVISION is to correct an error made in the past when monuments were set indicating lot corners. Original monuments, on the frontage only, were set 10.00 feet south of their true locations and houses were aligned to them. This RESUBDIVISION will serve to bring all existing dwelling units into conformance with the platted front and side setback lines and will not cause any existing dwelling units currently in conformance to be in violation of any front or side setback lines. Easements and setback lines that follow side lot lines shall conform to the new side lot lines as shown on this plat.

The undersigned owners of the lands platted hereon, duly authorized in the premises, do hereby certify that this plat correctly represents their RESUBDIVISION of LOTS 456-463 (inclusive), Choctaw Lake Subdivision, and hereby accept this plat of same.
