

Note: This Plat Has Been Prepared In Part By Best Evidence - In Part By Each of The Deed Descriptions Used - And As Per A Perimeter Field Traverse Made By Us This Year. Our Traverse Was Computed By Lat. & Dept. Areas Figured By Double Meridian Distances. We Selected The North Base Of Rail Way Levee As The Northern Boundary To This Survey - The Area Figured By Planimeter - And The Area 6.930 Ac. Also By Planimeter. Based On All Available Data - I Believe We Are Within The Necessary Accuracy As Needed For Land Transfer.

Rodger Orwin Baker P.S.  
Ohio Registered Surveyor S-05539
